

Patient Navigation in Cancer Care

Guiding patients to quality outcomes™

When You Need Help With Cancer Care

Do you sometimes feel like you could use some help to get the care you need? The *Casa Esperanza Patient Navigation and Survivor Services* program is here to give you that help.

The Patient Navigator can:

- Guide you through the health care system
- Help you fill out insurance forms
- Help you identify financial assistance sources
- Direct you to health care services for further diagnosis and treatment
- Direct you to local resources and support
- Help you keep track of and find ways to get to your appointments
- Help you get your questions answered
- Help you find more information on health care
